MOORFIELDS EYE HOSPITAL NHS FOUNDATION TRUST

Electrophysiology Department

Clinical Scientist/Physiologist or Clinical Engineer

Scale (Band 7)
£37,660 - £47,778 per annum incl.
37.5 hours per week

The Dept. of Clinical Electrophysiology at Moorfields Eye Hospital wishes to recruit a suitably qualified individual with a background in Clinical Visual Electrophysiology or Medical Physics, who would play in key role in the day to day operation of this busy NHS clinical and research department.

The post holder will provide scientific, technical and administrative support to the department, and will after suitable training be responsible for managing equipment used in the assessment of the visual system. Candidates should have experience in the care and use of physiological and psychophysical measurement equipment in a clinical setting. Knowledge of information technology, electronics and electro-optics would be advantageous. The post-holder is likely to have a relevant degree or equivalent and knowledge of clinical visual electrophysiology to post-graduate level. State registration is desirable. Candidates must be able to communicate with a wide range of staff and patients at all levels.

For an informal discussion of the post please telephone Chris Hogg or Dr Magella Neveu on 020 7566 2120. To apply online go to www.jobs.nhs.uk or for an application form and job description contact the Personnel Department on 020 7566 2041 or 2430 or 2433 (24 hour answer-phone).
