ISCEV@ARVO – April 30, 2022

Colorado Convention Center, Denver CO

The Western Hemisphere Division of the International Society for Clinical Electrophysiology of Vision (ISCEV) is **tentatively** planned for **Saturday, April 30, 2022 from 2:30 to 6:30 PM, at the Colorado Convention Center (Room TBA)** preceding the ARVO Annual Meeting.

All topics regarding electrophysiological testing of vision will be considered for presentation. Please plan 10-12 minutes for your oral presentation, with 3-5 minutes for discussion. You are also very welcome to join the gathering without a presentation. We hope that everyone will remain healthy and free to travel.

The cost for registration is \$75.00. Payment by cash or check (in US dollars) will be collected at the meeting registration desk starting at **2:00 PM**.

PLEASE COMPLETE THE REGISTRATION FORM BY MARCH 31, 2022

At least 25 confirmed participants are required to support the AV equipment rental.

As soon as a quorum is reached, the good news will be announced.

If a quorum is not reached, an announcement will be made on April 1, 2022.

*** If you have any questions, feel free to send an e-mail to Lfrishman@uh.edu ***

Sincerely,
